

# Black Hawk College Ag Alumni would appreciate your support of our annual Ag Fundraiser.

Each year, our goal is to raise the funds necessary to support student scholarships, faculty and staff mini-grants, program advancement, team and club sponsorships, capital projects, and other initiatives that strengthen our agricultural programs.

Proceeds from this event directly invest in agricultural students at Black Hawk College East Campus, helping ensure continued opportunities for hands-on learning, leadership development, and student success for years to come.
